

# International ExSIDE» Doctoral Workshop

April 2-3, 2020 / University of Surrey, UK

>> The ExSIDE Doctoral Workshop is organized by doctoral fellows with the aim to provide PhD candidates at any stage of their doctoral studies with an opportunity to present their research projects.

>> Keynote speakers:

George Evans  
(University of Oregon)

Andrea Galeotti  
(London Business School)

>> We particularly welcome papers from the following research areas:

- Agent Based Models
- Behavioural Economics
- Climate Economics
- DSGE Models
- Expectation and Perception Measures
- Finance and Regulation
- Game Theory
- Heterogeneous Agent Models
- Industrial Organization
- International Economics
- Network Theory
- Opinion Formation and Diffusion
- Social Influence and Dynamics

>> The accommodation costs for speakers will be covered. There is no participation fee. All speakers are invited for social dinner.

>> Applications are now open. For details of the submission process please consult our website.

>> **Submission deadline: December 20th, 2019.**
